MURRAY F. TULEY HIGH SCHOOL

CHICAGO, 1941

... The Hopes of Mankind cannot be kept alive by words merely, by constitutions and doctrines of right and codes of liberty. The object of democracy is to transmute these into life and action of society, the self-denial and self-sacrifice of heroic men and women willing to make their lives an embodiment of right and service and enlightened purpose. The commands of democracy are as imperative as its privileges, and opportunities are wide and generous. It will be great and lift a great light for the guidance of the nations only if we are great and carry that light high for the guidance of our own feet. We are not worthy to stand here unless we

ourselves be in deed and in truth real democrats and servants of mankind, ready to give our very lives for the freedom and justice and spiritual exaltation of the great nation which shelters and nurtures us.

.... Woodrow Wilson

To you, Miss Stillman, we wish, upon our graduation, to convey our sincerest appreciation and most heartfelt thanks for your unceasing efforts to ease our way over a long and difficult path. The world we are now entering is an uncertain one, but, because of your guidance, we are in a position to meet it, and to face every one of its difficulties.

Administrative Staff

Miss Stillman is very ably assisted in the administration of the school by three assistant principals, Mr. Center, Mr. Farrell, and Mr. Michael; and by the administrative assistants, Mr. Tingley, Mr. Lawley, Miss Stack, Miss Weimar, Miss Margolis, and Mrs. Herrick.

The students are very appreciative of the efforts on the part of all members of the staff to achieve a smooth running organization which promotes the happiness and well-being of the student body.

"Artie"

School Calendar for Semester Ending Feb. 1941

Tuley Has Its Face Lifted.

Students returning to Tuley in September found a surprisingly new and rejuvenated Tuley. Many things had been done to lend a more cheerful atmosphere to the school. The walls had been lightened and the ceilings were painted white, for there is nothing gloomier than a dark school-room. Yes students, as we leave, a new and beautiful Tuley remains behind.

New Review Staff Goes to Work.

With the semester on its way, the even more capable Review staff dug in to put out bigger and better Reviews. Senior A's and B's, all of whom had worked their way up from the bottom, held important positions. Milton Glaser, the editor-in-chief, was ably assisted by Julius Draznin, assistant editor; Julia Kirstein, news editor, and Meyer Dolinsky, feature editor; while Marvin Fromkin was elevated to the position of Business Manager. The sports department was headed by Julius Matlin and Eddie Deerfield. Bernard Reisin and Abe Friedman took over "Round About Tuley" while Dorothy Libin continued to write her Hash Heap columns.

Fire Marshals Introduce "Stagger System".

The fire marshals, sponsored by Mr. Center and Mr. Gross, devised a new system whereby five marshals will be on duty every period during the day. The faculty appointed Arnold Klass as head of this Service System. Andy Petmezas and William Fischground will serve as his lieutenants.

Goodbye, Mr. Small! Hello, Mr. Purdue!

After an even dozen years of faithful service as head of our physics Department, Mr. Arthur W. Small has left Tuley's portals to teach at Gage Park High School. Mr. Small will long be remembered for his excellent service as Senior Grade Adviser, and for his witty sense of humor. His departure, however, has been ably filled by Mr. Perdue who previously taught at Muskeegon, Michigan. So we say, "Good-bye, Mr. Small; welcome, Mr. Perdue."

Student-Faculty Basketball Game

Our athletic pedagogues, Tuley's noted teachers, once again trounced our Honor Students in their annual basketball tussle to the tune of 49—32. The game merely proved that brawn and not brains score points. The teachers were led to victory by Messrs. Smidl and Gill. The scholars high point men were Bernie Reisin and Irv Markin, each scoring three baskets.

Armistice Day Assembly.

The Tuley students observed Armistice Day with proper and fitting solemnity—by presenting the annual Armistice Day assembly. After the opening of the assembly, Ben Mays, student chairman, took over the program and introduced the various musical numbers and speeches. Mr. Eliadore Libonati, veteran of the last World War and now an American Legionaire, gave a short talk commemorating our war dead.

Staff Picked for Annual.

With the Staff for the Annual Chosen, plans were made for the production of the biggest Log in Tuley's history. The 4A and 4B classes voted to collaborate on this book. President Bill Hanson appointed the 4A Staff Editor, Kenneth Triger; Eli Futterman, the 4A Business Manager; Warren Swanson the Art Editor, and Mary Huzo the Advertising Manager. The June officers were elected by representatives from that class. Merton Kahne and Beverly Yufit were elected co-editors, Bernard Reisin was chosen Business Manager; the position of Advertising Manager was given to Alice Kramer. The Art Saff was headed by Irving Markin.

Seniors Hold "Get Acquainted" Dance.

The Social Committee, headed by Irene Pietrucha, planned a gala "Get Acquainted" dance. The affair was held in Kopp Gym, and the music was supplied by Tuley's famous "Rhythm Boys." There was almost a 100% turnout to the Senior Jamboree.

D.A.R. Representative Elected.

Patsy Murphy was chosen by both faculty and student body as the best girl citizen in Tuley. The contest was sponsored by the D.A.R. One girl from each state was chosen to go on a tour to Washington D.C., all expenses paid. Patsy was selected from a field of 15 girls, previously nominated for that position, to represent Tuley.

Class Averages Announced.

After several weeks of diligent work, Mrs. Herrick announced the averages of the graduating seniors. The Valedictorian was Anne Rill with a perfect average of 99, all S's! Mary Ann Huzo, salutatorian, ended up with an average of 98.25. Third place honors in the four year scholastic race were shared by Milton Glaser and Lenore Wexler each sharing an average of 97.

Seniors Elect Class Orator.

After a very close race with Naomi Smith for the position of Class Orator, Joseph Karzen finally emerged victorious. Other candidates for that position were Ruben Kessel, and Eunice Kukee.

Thanksgiving Collection Hits New High.

Tuley set a new high in its Thanksgiving collection by turning in \$834.37. The previous high mark, set last semester, was \$800. Miss Metcalf's 4B division set the pace for other rooms by turning in \$29.00, Miss Mayer's room was second having handed in \$26.00.

Civitan Contest Held.

Sidney Glatchow was declared the victor of the Civitan Contest, held in the Assembly Hall. Sid was picked from a group of Twelve finalists by the judges, Miss Konkowski, Miss Mayer, Miss Margolis Miss Newheart, Mr. Hunter, Mr. Lawley, and Mr. Perry. All of the contestants spoke on the same topic, "Speak Up for America." As winner, Sidney Glatcow won the Dale Carnegie Public Speaking Scholarship.

Drama Class Presents "Phantom Tiger".

Every year the drama class presents a play. This year their performances in the "Phantom Tiger" surpassed all previous ones. The play was a mystery-comedy. The leading roles were taken by Rebecca Spinka, Julius Draznin, and Bernard Dukelsky. Miss Konkowski once again did a mervelous job in directing the play. Fisk Auditorium was completely sold out for both performances.

Jebruary

CLASS NIGHT

It was the eve of Friday, January 24, 1941. Hearts were quickened and faces were flushed. Two by two came the graduates into the hallowed Fisk Auditorium from which have passed into the world so many such as these to become the country's great.

Swishing formals, tuxedos, and orchids were quite commonplace. Fisk Auditorium was adorned in its best, with the rows of flowers lending an air of sparkling gaiety to the hall.

Suddenly, the lights dimmed, a hush came over the audience, and once again Class Night began. The curtains suddenly parted and the cordial face of Harold Brooks, master of ceremonies, greeted the Tuley students and visitors. William Fishground, vice-president, opened the ceremonies by delivering a welcoming address. Following this were the inspiring Hatchet Orations, given by Sidney Glatcow and Leonard Fromkin. Leonard Smart, Muriel Paradies, and Ruth Sandman rendered vocal solos, while Margaret Gellat and John Buchholz each gave piano solos. Then a novel musical comedy called "Fish," was presented. Continuing the "light fantastic program" was the well-received "In a Garden," featuring those two superb players, Sid Glatcow and Phyllis Shiner.

Bringing to a smashing close the evening's program was a new and original Truth and Consequences, in which the audience took a part.

Time passed much too fast, and too soon the curtains were drawn. A happy, jovial crowd completed their evening of festivity by dancing in our own Kopp Gym.

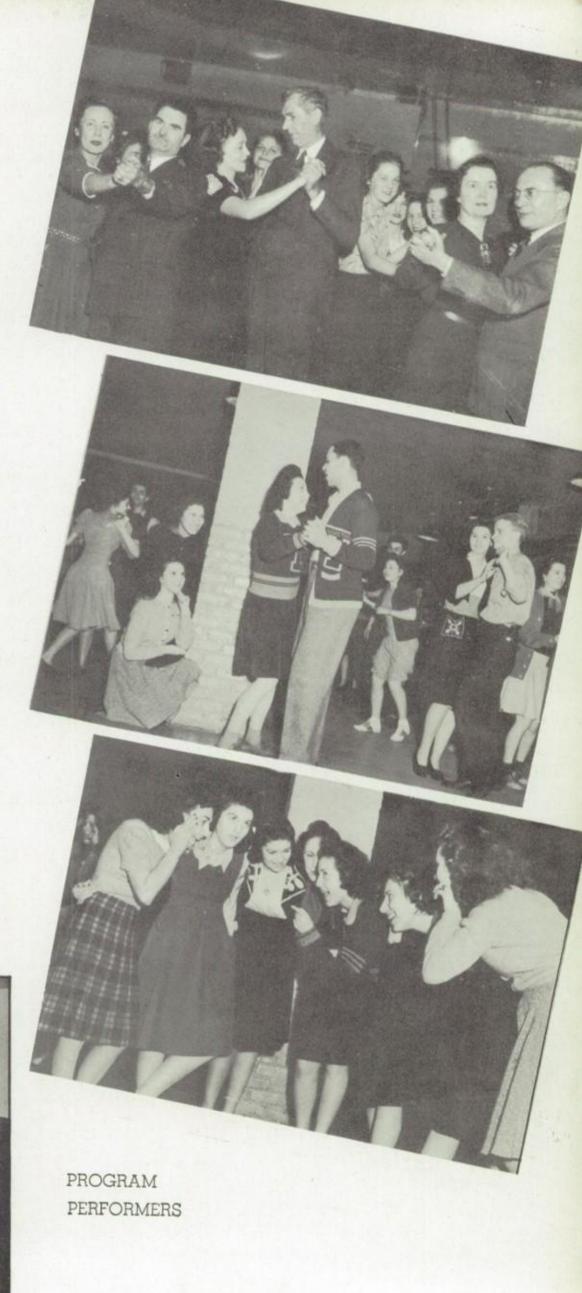

Activities

GET ACQUAINTED DANCE

"Hello Joe, whadda-yuh know?" And, with this familiar phrase uttered another couple went out upon the dance floor, and another friendship was all the more closely cemented. For that was the very purpose of the most important dance in Tuley's history, the first "Get Acquainted" dance ever given by a senior class. The idea of the dance lay in the fact that, with so many classmates never getting to know one another very well because the class was so large, many of the boys were a bit shy in asking a girl to the senior affairs.

So, to both hot and sweet music, music of the famous Tuley "Rhythm Boys," Lee Beinhorn, Johnny Buckholtz, Sol Amster, and George Singer, the seniors spent a very enjoyable afternoon. But it was more than an ordinary dance for it helped more than anything else to draw the class together. That was its purpose, and the question of whether this brainchild of Mr. Tingley, class sponsor, Irene Pietrucha, chairman of the dance, and the rest of the committee was worth their efforts is adequately answered by the number attending the dance.

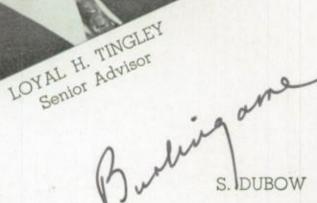

gram the att he we

Senior Division Teachers

We embark upon life with open minds and brave hearts due to the guidance of the faculty, which has been invaluable in preparing us to meet the outside world with courage and intelligence. For four years they have worked to prepare us so that we will not fail.

To Mr. Tingley, who is the very embodiment of kindliness, consideration and quiet determination, we wish to convey our gratitude. He has been tireless in his efforts to smooth our paths, and we have no words with which to express our sincere appreciation.

SYLVIA ANN WEISSBERG Usherette, Tuley Review Representative, Hall Guard. Clubs: G.A.A., Social Science. Ambition: Successful office clerk or beauty operator.

Tuley Roundup

The accompanying picture will give you some idea of the time I had writing this page. There was so much to tell that it would have taken a good sized volume

to do it adequately.

1941 has undoubtedly been one of the most eventful years in the history of Tuley High. Perhaps it was because of the influx of many new and pretty faces. Yes, it has become an accepted fact that attractive girls are an essential part of a well balanced school year.

Moments to Remember.

The following are reminiscences of days that are

gone, but cannot be forgotten.

They are still talking about the time Lou Black put nail polish remover in his hair thinking it was olive oil. He spent the next two days removing the remover... The harmony trio composed of Jerry Jerowenka, Antoinette Fisher and Richard Hurowitz made their debut at

the B.A.A., G.A.A. dance . . . The time Alice Kramer was the main angle of a triangle . . . The day Bernie Dukelsky (the great profile) felt the wrath of drama instructress Miss Dorothy Konkowski. She hit him with a fully loaded powder puff. It was the first time that Bernie's face was red and white at the same instant . . . When Julia Kirstein, for two years an important member of the Review Staff was elected editor-in-chief by her colleagues . . . The time Ed Sychta organized a fund in his division to send a gift to his buddy Gene Galkowski who was in the hospital recovering from an appendectomy . . . When "Sonny" Kane challenged the top ranking student of Mr. Tingley's economics class to a debating contest. Mr. T. remarked

that Sonny was a brave lad to get into a battle of wits unarmed . . . The time Sheppie Termans new invention broke all records . . . It was a new type of phonograph needle . . . Curtis Mayfield claims he developed those powerful wrist muscles by turning off the radio (A twist-

ing good idea, Curt.)

The day Irene Babicz came to school with one of those upsweep hair do's and Adeline Banas and Sally Slobodian kidded her about having to wash her neck more often . . . All Tuley was proud of ballerina Rose Jankowski when she signed a contract with the San Carlos Opera Company . . . When Arnold Gross came to school wearing a hat he claimed was inherited from his great grandfather and no one doubted it. When John Bac asked Ed Sychta, chairman of the prom committee, "Is this dance formal or do I wear my own clothes?" . . . The time Mildred Zavodny fried bacon in

butter in Mrs. Wood's cooking class . . . No one will forget the time "thin man" Seymour Lerner paid off a bet by coming to school in knickers . . . When one of the B.A.A. basketball teams was short handed and asked Louie, the janitor, to play with them . . . When Arnold Klass claimed his doctor was very smart because he had a lot of inside information.

Why Little Boys Leave Home — Anne Gabriel.

Miss Mendes—Hey, come out of that water. You can't swim in there.

Loretta Schultz—I know I can't. Help! Help!
. . . Solly Rubin claims he knows how to evade the draft. "The first thing I say before I get examined, says Sol, is, 'gimme a chair Doc, my feet are killing me!"

Arlene Sandvik: There's a lot of electricity in my

hair.

Helen Schmidt—Ohl is that why you buy hats that look like lamp shades.

Overheard in 331.

Jerome Bressler: But Mr. Johnson, I don't think I deserve a "D".

Mr. Johnson: I know, Jerome, but it's the lowest mark I can give you.

Robert Schwingen: Oh boy, oh boy, Coach Tortorelli is going to let me play left end on the bench.

Student Philosophy:

Tuley students have often shown their wisdom by simple philosophy. The following are some choice selections:

James Samaras: The trouble with weak sisters is that they usually have husky brothers.

James Sherrier: When a gold digger describes a love affair it is usually a pay-by-pay description.

June Shabago: The girl whose remarks are pointless never pins a

man down.

Special Awards:

To Hymen Perlin for his invaluable services in operating the public address system, and serving as authority on all technical problems.

To Julian Falecki for his genius as a camera artist and the fine photographs entered in this Log.

To Mr. Loyal H. Tingley for his unceasing efforts in making Senior Hall a gigantic success.

To Patsy Murphy for being the most talked about student of the year, and all good, too.

And so we write finis to our high school career. It has been a milestone in our lives. There are some very happy memories and some not so happy, but high school has been an experience we can never forget — or want to.

The Fire Marshals serve the school in many and varied capacities. Among these are, officiating at emergency dismissals, acting as ushers at all assemblys and shows, maintaining order in the corridors with the able assistance of the hall guards, and coping with any unusual incident that may occur.

Though the Fire Marshal squad is comparatively smaller this year than in previous years, the Marshals, under the sponsorship of Mr. Center and Mr. Gross, accomplished a task that larger squads have found very difficult.

For the February semester Arnold Klass acted as Captain, Andy Petmezas and William Fischground as Lieutenants. Arnold Klass also served as Captain for the second semester, and because of the graduation of Andy and William, two new Lieutenants, Harry Mail and Newell Echols, were picked to replace them.

To close theis semester's activities, the Fire Marshals are given a banquet at which they are awarded medals by Miss Hazel L. Stillman, Principal.

Physics Club

January Officers: President, Mitchell Teich; Vice President, Deborah Slutzky;
Secretary, Pagel Harris Trans Officers: President Mitchell Teich; Vice President Secretary, Pearl Harris. June Officers: President, Mitchell Teich; Vice President, Deborah Slutsky; Secretary, Lucille Berman. Sponsor: Mr. Perdue.

The Physics Club had a very successful and eventful year even though it had the misfortune of losing the invaluable guidance of its sponsor, Mr. Small. We were very fortunate, however, in the attainment of Mr. Perdue as our new sponsor, for we have had the advantage of his great store of knowledge and his yest experience has smoothed over whatever difficulties loomed in our his vast experience has smoothed over whatever difficulties loomed in our

path.

The purpose of the Physics Club is to delve more deeply into the interesting matters that we have time to only touch upon in our regular classroom

Each member has a chance to take charge of a meeting and explain an interesting problem of his own choosing to the rest of the group. In this manner, all members participate and have an equal share in the affairs of the club, which is essentially the democratic spirit. work.

Polish Club

January Officers: President, Edward Sychta; Vice President, Irene Leszkiewicz; Secretary, Gene Galkowski. June Officers: President, Richard Rzepecki; Vice President, Gene Galkowski; Secretary, Lydia Dombrowski; Treasurer, Nadia Hlady. Sponsors: Mr. Jane and Miss Bogowicz.

The Polish Club was organized in 1931. It is one of the most prominent in Tuley's long list of extra-curricular activities.

The object of this club is to promote among its members the feeling of solidarity and to establish genuine friendship. It endeavors to acquaint them with the history of Poland, its literature, music and culture, by arranging lectures and programs during the meetings and possibly for the general students' assembly. The membership of the Polish Club is open to all students participating in Polish classes and activities.

The minutes and educational literature are read in Polish. Interesting programs, including plays and folk dances are prepared by the entertainment committee. The sponsors of the club are Mr. Jane and Miss Bogowicz.

One of the most important affairs of the semester was the Valentine Dance, held on February 14, in the Kopp gym at which about 300 students were present to enjoy the fine entertainment supplied by the club.

On April 14, the Polish Club held Open House. Parents were invited to see the Polish artwork, literature, and costumes prepared and exhibited by the members of the club.

With this long list of achievements the Polish Club has shown that it has not been idle.

The Classics Club, sponsored by Miss E. Lawrence, was organized to acquaint students taking Latin with the customs, manners, and songs characteristic of this adventurous race. The Romans and Greeks were not only romantic and adventurous, but also loyal to their country. The greatness of Rome could never have been achieved without the loyalty of the people to their country and it is this trait that we try the hardest to imitate.

During the meetings, which are held periodically, the members enjoy themselves by presenting interesting short skits, based on ancient Roman and Greek myths. Also included in the activities is the reading of the great literary works by the Roman and Greek masters of the pen such as Cicero, Caesar and Virgil, who have contributed a great deal to literature, and are worthy of mention.

The Classics Club ends each semester with a party which is heartily enjoyed by all. It is through the supervision of the officers and the sponsor that a good time is available at all meetings.

The membership of this club is open to those who are taking, or who have taken the subject, and all others interested in participating in the club's activities.

January Officers: President, Bertha Karpel; Vice President, Laura Glance; Secretary-Treasurer, Bernard Wessel; Sergeant at Arms, Jerome Goldman. June Officers: President, Isabel Durand; Vice President, Marie Choyce; Secretary-Treasurer, Jerome Goldman. Sponsor: Miss Lawrence.

Classics Club

" Y Chyla

Seg Cuery

January Officers: President, Mae Rogansky; Vice President, Dorothy Heller; Secretary, Rea Hayman. June Officers: President, Jacqueline Jackson; Vice President, Anita Seiffert; Secretary, Elaine Belter. Sponsor: Miss Gillan.

The Tuley Red Cross is one of the many institutions that is rendering its services to a worthy cause. It has been in existence for about one and a half semesters but this is the first semester that it has been very active. Once a month a representative is sent to the Main Office downtown to obtain information about future Red Cross plans.

At the Tuley meetings, under the sponsorship of Miss Gillan, the members knit scarfs, which are sent to the General Office and then to the outposts abroad.

January and June Officers: President, Marion Swanson; Vice President, Marvin Mandell; Secretary, Lottie Dunsky; Treasurer, Lillian Wallison. Sponsor: Mr. Johnson.

The "A" Club was organized about three semesters ago to enlarge the

opportunities in learning, leadership, citizenship, and democracy.

The A stands for true Americanism. Americanism recognizes the true worth of the best in all races, colors and creeds. It makes no distinction, but seeks to incorporate all for one and one for all. We need the best of every race, color and creed to light the way to true Americanism; to insure democracy so that the government of the people, by the people, and for the people will not perish from the earth.

Librarians

Book

January Officer: President, Naomi Smith. June Officer: President, Myrtle Lemke. Sponsor: Mr. Rabinovitz.

An efficient library is priceless to an ambitious student and we Tuleyites are fortunate in having such a large and complete library within our building.

A student librarian receives training and actual experience in every phase of library work. The library staff rotates in positions and, in this way, each student gets an opportunity to participate at the various jobs, such as distributing passes, working behind the desk, taking care of reference books, and so on. Any student who has worked in our library has enough training and background for a good start in doing this work upon graduation.

In charge of the many important duties of the book room is a capable staff of book room helpers. This group consists of twenty girls chosen by unanimous approval of both the sponsor, Mr. Rabinovitz, and the other helpers. The girls work together in complete unison to care for all the school books which are worth thousands of dollars. Their main purpose is to see that book room business is run smoothly. They take great pride in the neatness of the stock of books they have on hand, and are constantly busy in keeping records and supplying teachers throughout the school with books for their various classes.

Mr. Rabinovitz has a great deal of faith in his helpers and he realizes the fact that they have a very responsible position to uphold.

Camera Club

Music Appreciation

Officers: President, Carl Schow; Vice President, Lucille Burgbacher; Secretary and Treasurer, Anna Zalesny. Sponsor: Miss Fredericks.

A snap of the shutter and another of Nature's vast offerings is recorded for posterity. The Camera Club has long been considered one of the finest organizations meeting in Tuley. Sponsored formerly by Mr. Hunter, and at present by Miss Fredericks, the group, numbering close to twenty, engages in various activities relating to photography and its branches. Outings and indoor sessions make up a large part of the program with "dark room information" days numerous. The outdoor gatherings are especially enjoyable since actual shooting can be practiced with miles of material to be recorded under expert supervision.

Officers: President, Beverly Yufit; Vice President and Treasurer, Thelma Kass; Secretary, Miriam Goodman. Sponsor: Mr. Mollendorf.

The newly organized "Music Appreciation Club", under the sponsorship of Mr. Mollendorf, is one of the most popular clubs at Tuley. The purpose of this club is to enable the students to hear good music and to bring to them a better understanding of good music. Mr. Mollendorf has generously offered to allow the club to make use of his extensive music library. This is a great opportunity for the music lovers of Tuley to hear the best music and it is very much appreciated.

Officers: President, Ben Kravitz; Vice President, Deborah Slutzky; Secretary, Isabelle Durand.

A Presidents' Council was organized this semester at Tuley. It is composed of the presidents of all the clubs in the school. It is sponsored by Miss Stack and its business is to increase the efficiency of the club meetings. The Presidents' Council meets every two weeks and the time is devoted to discussion of Parliamentary Procedure and better methods of conducting meetings.

An organization such as the Presidents' Council is an experiment in Tuley. Its plans for the future are, as yet, nebulous but it has the full support of all of Tuley.

Officers: President, Tillie Golden; Vice President, Eva Nemenoff; Secretary, Irene Majewski; Treasurer, Esther Honigman. Sponsor: Miss Hughes.

The Tuley Library Club, sponsored by Miss Hughes, was organized this semester. The members of this organization are student librarian assistants, who assist in all library work which consists mainly of library organization.

Tuley is represented at the Regional Group of Library Assistants, a group of library representatives from each of Chicago's high schools. Tuley's project now is to compose a scrapbook featuring all phases of library work. This book will be judged with others from various schools by the heads of the Regional Group.

President's Council

Library Club

Honor Society

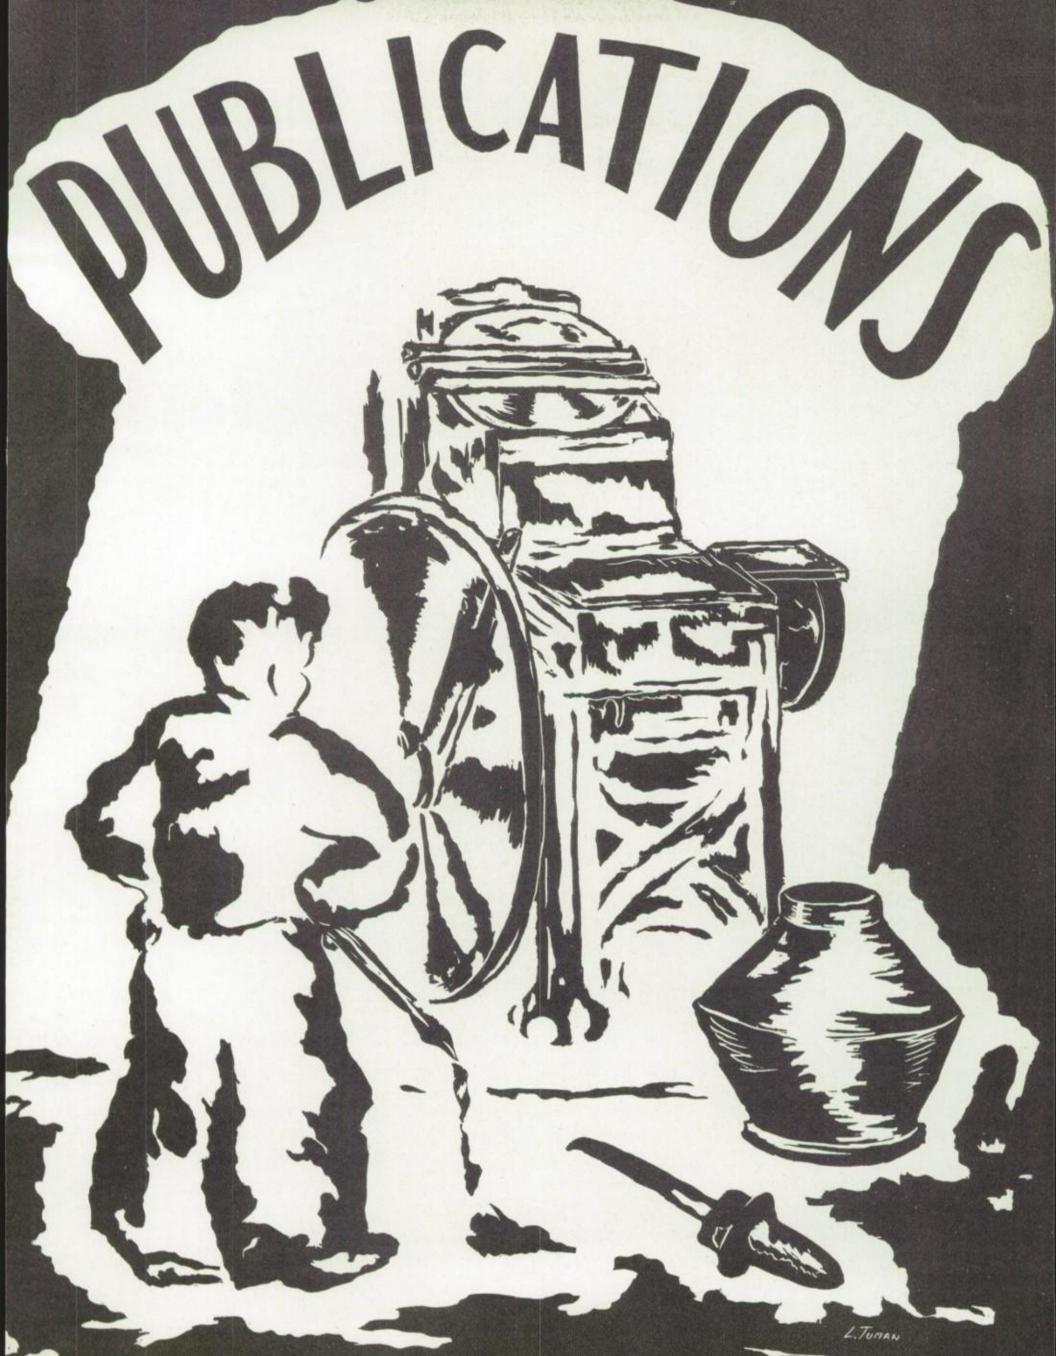

The purpose of the Honor Society is to promote high scholastic standing among Tuley pupils. A glance at the long list of names on the Honor Roll will immediately show that the Honor Society is succeeding admirably in its work.

Any pupil receiving marks of E or above in four majors for the semester is on the Honor Roll. Certificates are issued for the first three semesters at which time the student is eligible for the bronze pin. A silver pin is given to any student who is on the Honor Roll for the fourth time. Six semesters of Honor Society membership brings to the pupil the coveted honor of receiving the gold pin. If a student is on the honor roll for a seventh semester his name is mentioned as receiving the gold pin for the second time.

A tag day is held by the Honor Society under the direction of its sponsor, Miss Hanson, once a year to raise money for pins and certificates. When there are nearly six hundred pupils on the Honor Roll, one can easily see the

importance and necessity of having this tag day.

Each semester the gold pin winners plan and present an original program for the rest of the Honor Society. These programs are under the direction of the drama and public speaking teachers and have proved to be very interesting and different as each group of gold pin winners has new ideas.

PEARL HARRIS

JULIAN FALECKI

Literary

The Log Staff wishes to extend their appreciation to Pearl Harris, Julian Falecki, and John Bac for their unceasing efforts in helping to produce the Log.

Seventeen students, the Literary Staff of the Tuley Log, have worked long and laboriously to produce these excellent penned pictures that make this '41 Log a literary masterpiece.

Due to the help of the literary adviser, Miss McGill, who introduced criticisms and advice, these truly remarkable descriptions of Tuley happenings have been made possible. Although the work has been difficult and it has taken much time and energy, if they have succeeded in enlightening the reader on the subject of clubs, events, and all the other activities related to school life, the staff will consider their time well spent, and their rewards bountiful.

Ant Stalls IRVING MARKIN ART STAFF The artist is embodied with the ability to express himself through thought set on paper in the form of a drawn illustration. A thorough search of Tuley has revealed several who have true cause to consider themselves artists. Under the supervision of Miss Baker, these talented ones have furthered the artistic value of the Log, by planning the layout for the pages, by drawing delightful sketches depicting democracy in connection with school life, and by designing a remarkably beautiful cover. Publicity posters have also found their origin in the capable workmanship of Tuley artists. Mr. Greenberg as photography manager,

WARREN SWANSON

complete.

directed Julian Falecki in the securing of an array of snaps connected with every phase of Tuley life, thus making the Log artistically

Business Staff BERNARD REISIN BUSINESS STAFF

The financial wizardry which aided in the formation of Tuley's most successful Log, indicates that the Business Staff does indeed have a head for business. Under the direction of Mr. Perry, the handpicked few who aspire to be classified under the title of Business and Advertising staff, have secured subscriptions, compiled ads, collected money, approved slogans and posters, and supervised the publicity. Ingenious publicity stunts designed to interest all outsiders in the acquisition of a '41 Log have resulted in the establishment of a new high for sales of a graduating book. This is ample proof of the ability of Tuley "Wall-Streeters."

Speed, speed, and more speed was urged upon the Senior team by Coach Jimmy Tortorelli in early practice sessions as a premier effort toward offsetting lack of height which, at that time, seemed to be the predominant handicap to Tomcat title hopes. Averaging approximately five feet ten and three-quarters inches, the Tuley Seniors of 1940-41 were, indeed, one of the shortest teams in city competition, being able to balance this liability only with their speed and knowledge of the game of basketball. Led by Bill Miller, who incidentally, is our unanimous choice for the title of Tuley's number one cage producer, the wearers of the Blue and Gold ran riot in producing the most enjoyable Senior season in the history of Tuley. Well versed in the intricacies of the fast break, as a result of three straight weeks of practice maneuvering which saw them manage seven games successfully while dropping three, the Seniors were fully prepared to give all competition a dose of lead poisoning in their Stagg encounters. Captain Bill Miller registered 81 points to take high point honors, propelling the Tomcats into a second place rating.

Combining in official cage warfare, Captain Miller, Jimmy Rosenberg, Adam Turek, Isaac Kronenberg, Eddie Rosen and Phil Steinberg triumphed six times, were beaten thrice. During the course of the season, Tuley Seniors set two records, ringing up 65 points in a league clash with Washburne in which Bill Miller contributed 35 markers, and later dropping in 73 points against Medill. Reliable reserves were in abundance as is indicated by the excellent playing ability of an all-star supporting cast which included Herbie Mendelson, Jack Cole, Eddie Bartnik, Horace Kemp, Julian Falecki, Gilly Gold and Leo Felderbaum. Of the entire group, only the latter two are to be counted on in next year's competition since the remainder are June graduates. A defeat at the hands of Crane left Tuley tied for fourth place at the season's end, but city officials gave Crane preference in playoff competition, however, basing their

decision on past performance.

The Tuley ost of the way, with Tuley repeatbuilding up eight and nine point to the poin aid, Kuklewicz Lead Five In but Tilden fought ahead to e the score close again, The seven ets and two free throws by For Sectional Races Al wald of Tuley were more than hting Tilden quintet could over AUSTIN

The Tuley Juniors and Seniors opened their League schedules with a twin victory over Kelvyn Park quintets, 46-29 and 32-31, respectively. The "ponies" were in top form as they came from k hind in the first quarter up a lead that war ed in the in A1 10

The

Tuley Captures

Second Place In

Stagg Tourney

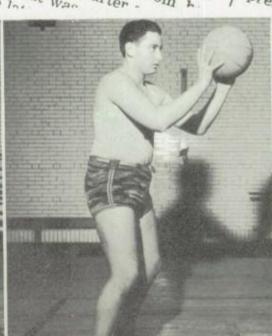

In the year 1940, T.

School captured

ors in th

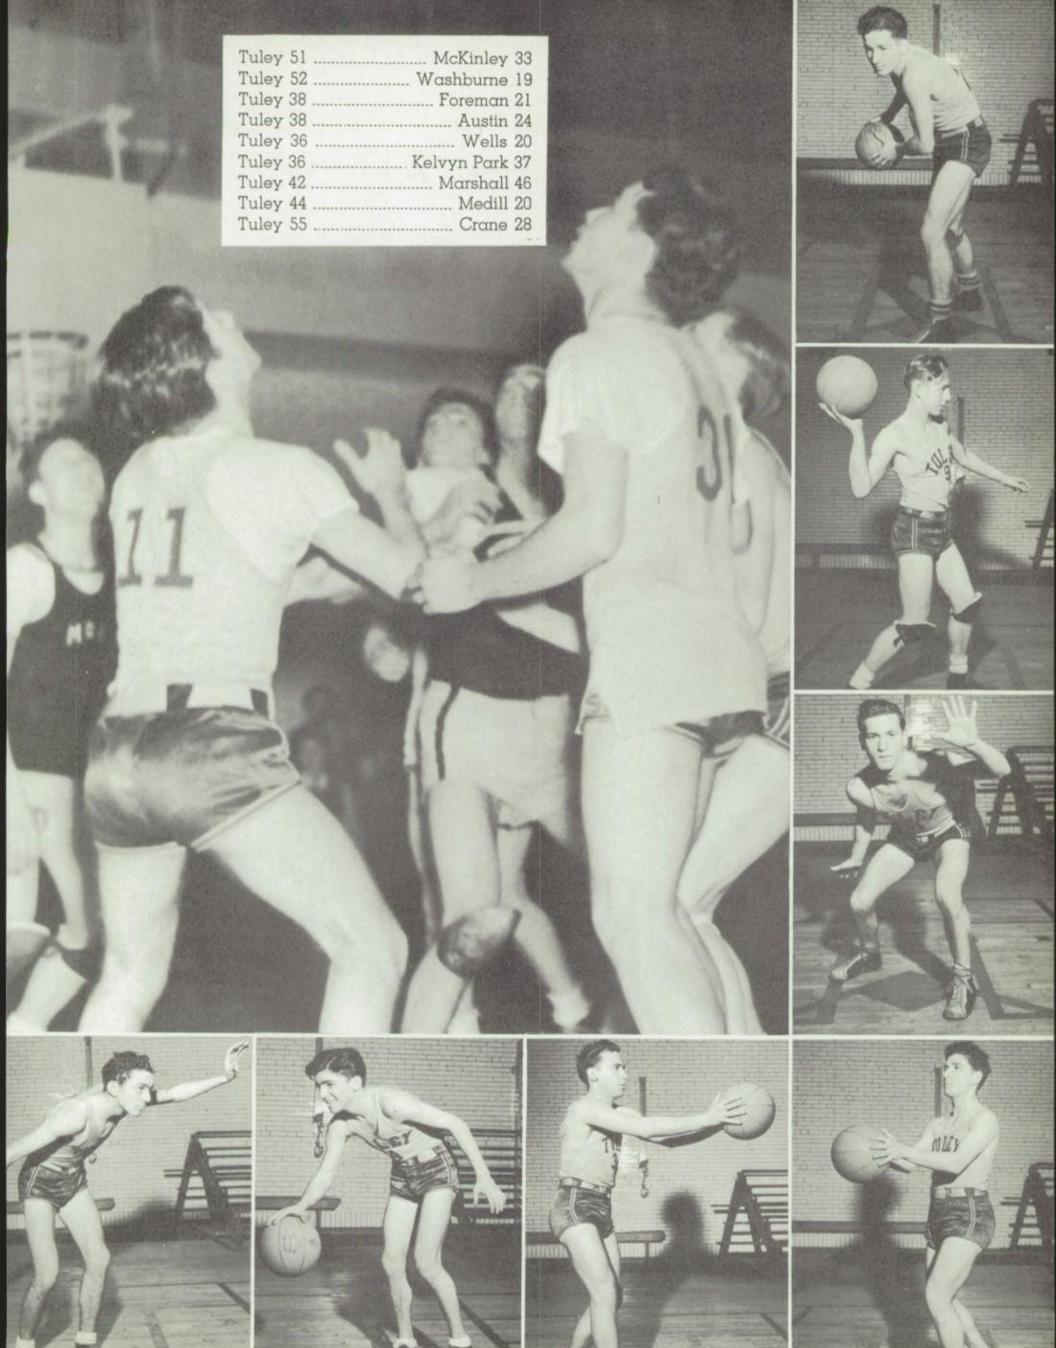

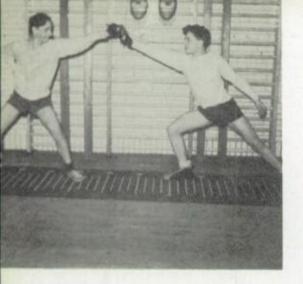

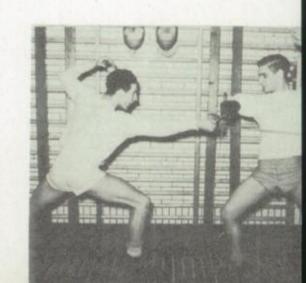

Tencing

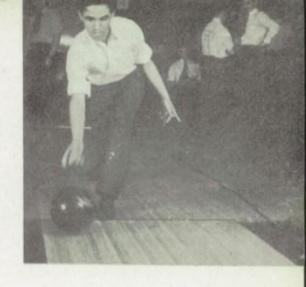

After experiencing a long absence of many years at Tuley, fencing was once again introduced to the school's sportsmen. Under the coaching of Mr. Handschu, an excellent fencer in his own right, the group soon learned the proper art of attack and defense, and before the semester was over many of the boys had mastered the intricacies of the art.

Although fencing at Tuley is not an inter-school competitive sport, and could not be classified as a team, the boys held their own tournament, which was run on a "Round Robin" basis in Kopp gym. Jack Cole, Mayor Lachman, and Mickey Kahne emerged as the Royal Knight Champions in that order. As a reward, they received gold, silver, and bronze medals respectively.

Much credit and many thanks must go to Mr. Handschu for the fine work he is doing in helping the boys to build clean bodies and minds.

Bowling

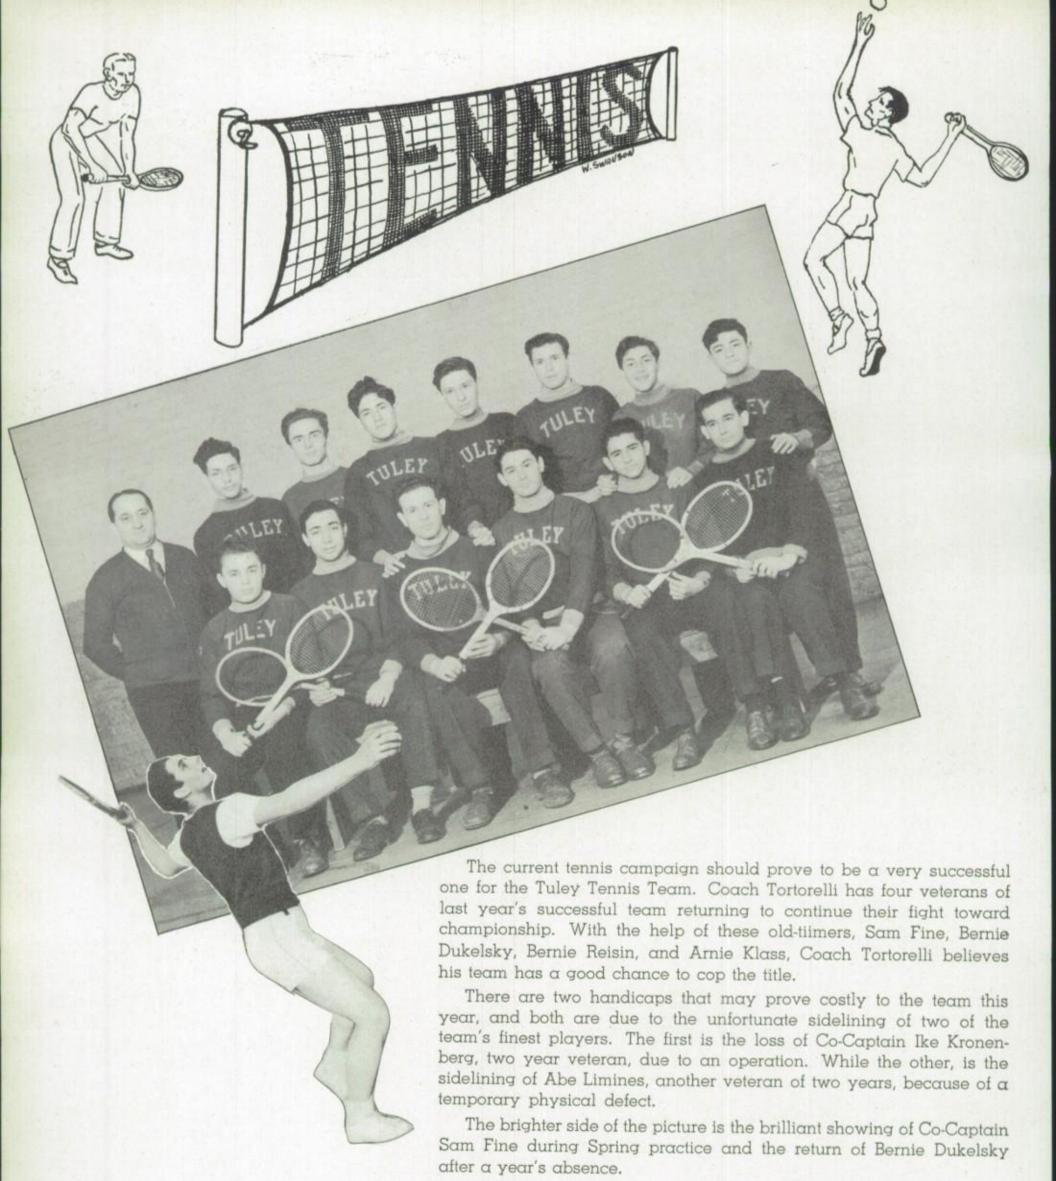

Something new entered Tuley's score books in October of 1940; something well liked by everyone. Yes, you've guessed it; it's bowling. With Mr. Hitney as coach, the young proteges of Tuley's bowling team will be well on their way in a surprisingly short time.

As there are many capable bowlers at Tuley, it will take an extensive elimination process to pick out the five best to represent Tuley High School in the annual High School Bowling Tournament.

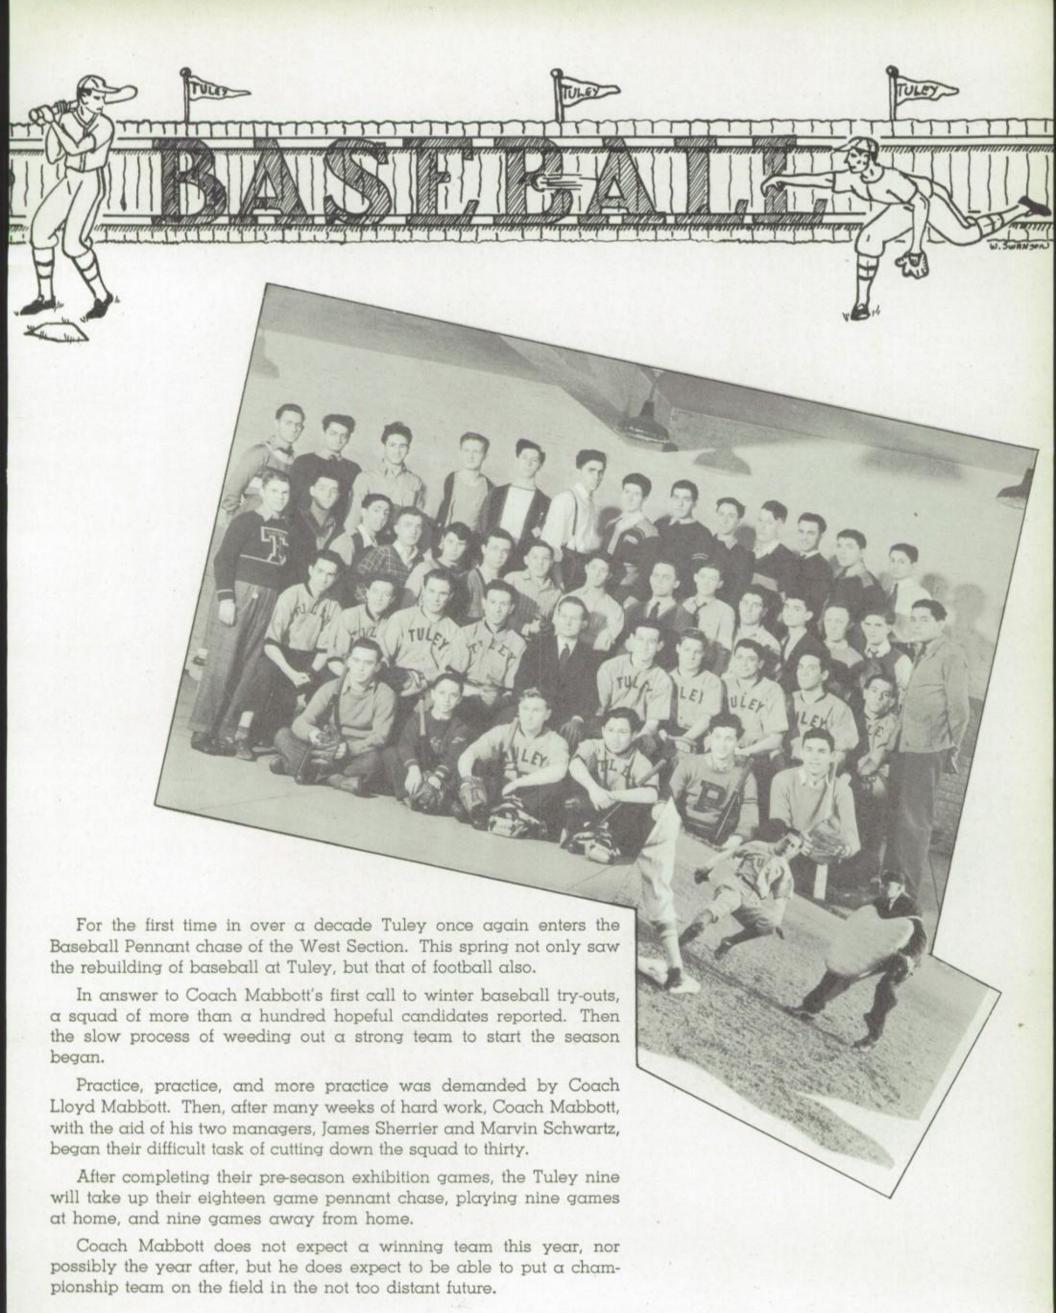

Coach Hitney reports that he already has his eye on some prospects around whom he can build an excellent team. Several who make the grade are Sam Weiner, Louis Soljan, and Eddie Kichwia, who each average about 140 per game.

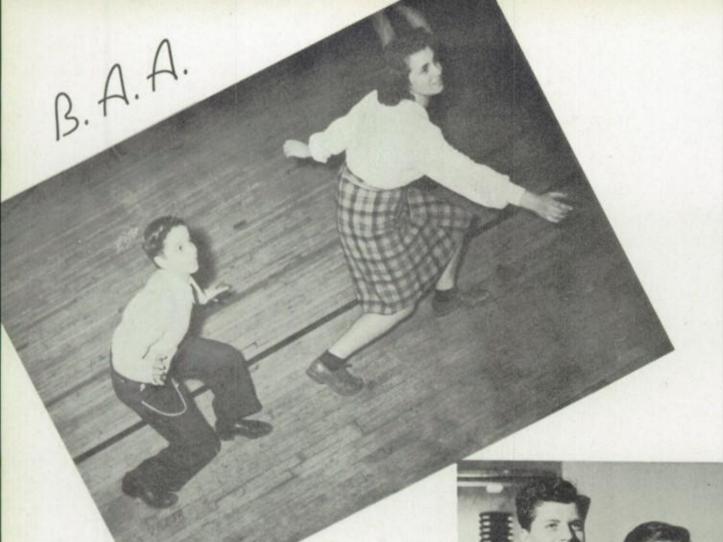

Although this is the first year of bowling, it seems, from all points of view, that the situation at Tuley looks quite promising, and we look forward to the time when bowling will be one of the most popular sports at Tuley.

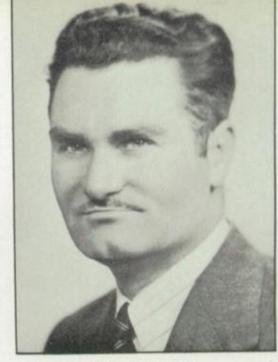

Due to the fact that several of the star players will be graduating in June, Coach Tortorelli is starting to build a new team for next season with some up-and-coming racquet wielders, among whom are Seymour Preiss, Jack Freidman, and Marvin Goldberg.

| Vice President | Leo | Felbe | rbaum |
| Secretary | | Jac | k Cole |
| Treasurer E | dwar | d Au | gestine |

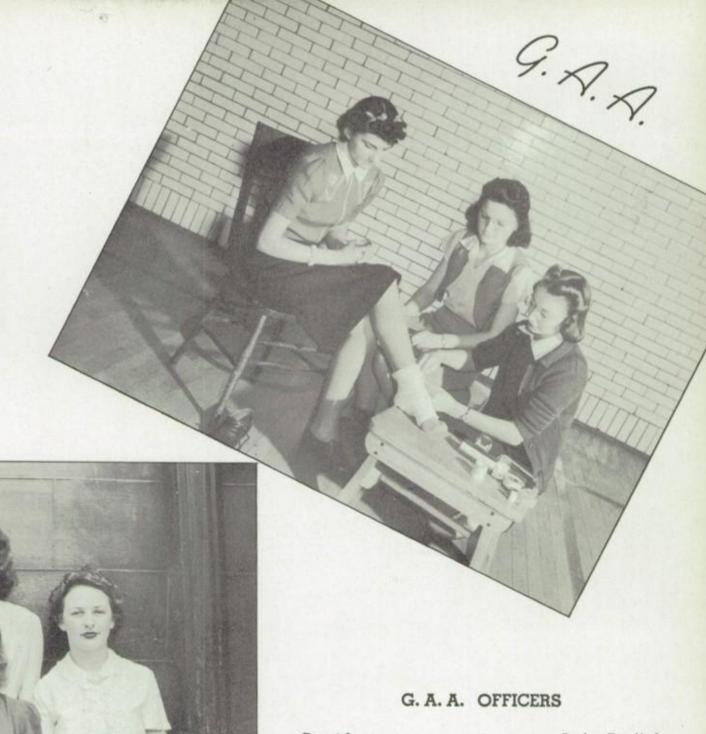

Under the able supervision of Coach Lloyd E. Mabbott, the Boys' Athletic Association of Tuley enjoyed what was possibly it's most active year during the course of the 1940-41 season. The athletic program was expanded to include soccer, volleyball, basketball, swimming, track, and other forms of sporting warfare. The Intramural soccer tourney, which flaunted the athletic ability of Tuley's male division rooms, found immediate favor and as a result, led to competitive jousts in other forms. B.A.A. officials were chosen by the Tuley physical education staff, their choices being based on both the athletic and scholastic prowess of the individual. The presidency was intrusted to Ben Kravitz. Assisting him as vice- president was Leo Felberbaum. The combined position of secretary-treasurer was awarded to Jack

It's not difficult to realize why the athletic capacity of the Blue and Gold has been raised to greater heights than even when one considers the athletic abilities of the group that rules the Tuley B.A.A.

Miss MENDES

| President | Judy Dudlak |
|----------------|--------------------|
| Vice President | Shirley Youngquist |
| Secretary | Eloise Nickel |
| Treasurer | . Marion Swanson |

A clean and healthy body and mind! These are the objectives of the Girls Athletic Association, one of Tuley's most successful and popular organizations. This club, under the leadership of Miss Mendes, strives, in an entertaining and interesting manner, to make every girl at Tuley aware of athletics. The promotion of athletic enthusiasm and sportsmanship is brought about in various ways. Intramural basketball, baseball, and volleyball tournaments are held. Hiking, bowling, swimming, and horse-back riding are ather activities in which they engage. For participation in any of the aforementioned activities bar points are given. Five hundred points merit a pin, to which bars may later be added, and one thousand points merit a letter. Courtesy, personal hygiene, and leadership are other factors to be considered in the giving of points. At the grand finale of the G.A.A. year (a party held in Kopp gym) these awards are distributed to those who have earned them.

FINEARTS

GIRLS' CHORUS

The Girls' Chorus is an organization which rates special attention because of its rapid growth. The group is a comparatively new organization and it has grown by leaps and bounds. The reason for this lies in the spirit and feeling of good will which is displayed on so many occasions. The spontaniety and cooperation shown during programs, parties, and special activities gives every girl the feeling that she can, at any time, display her musical abilities to an interested, appreciative and understanding audience.

Informal room programs are held during the regular chorus period before calendar holidays. These programs are arranged by a student committee and the entertainment is provided by the members of the chorus.

FESTIVAL CHORUS

The Festival Chorus, to all Tuleyites, is associated with a high standard of singing. Whenever choral music is required at an assembly the Festival Chorus can be counted on to present a fine program.

Besides the daily practice of program music, the Chorus holds regular club meetings.

The Festival Chorus awards a T to every person who has been a member of the chorus for three semesters. The requirements are that the person eligible for the T shall have participated in all the assemblies and programs at which the chorus sang. Besides club dues, a dance was held on one occasion to assist in meeting the expense of buying these T's.

ORCHESTRA

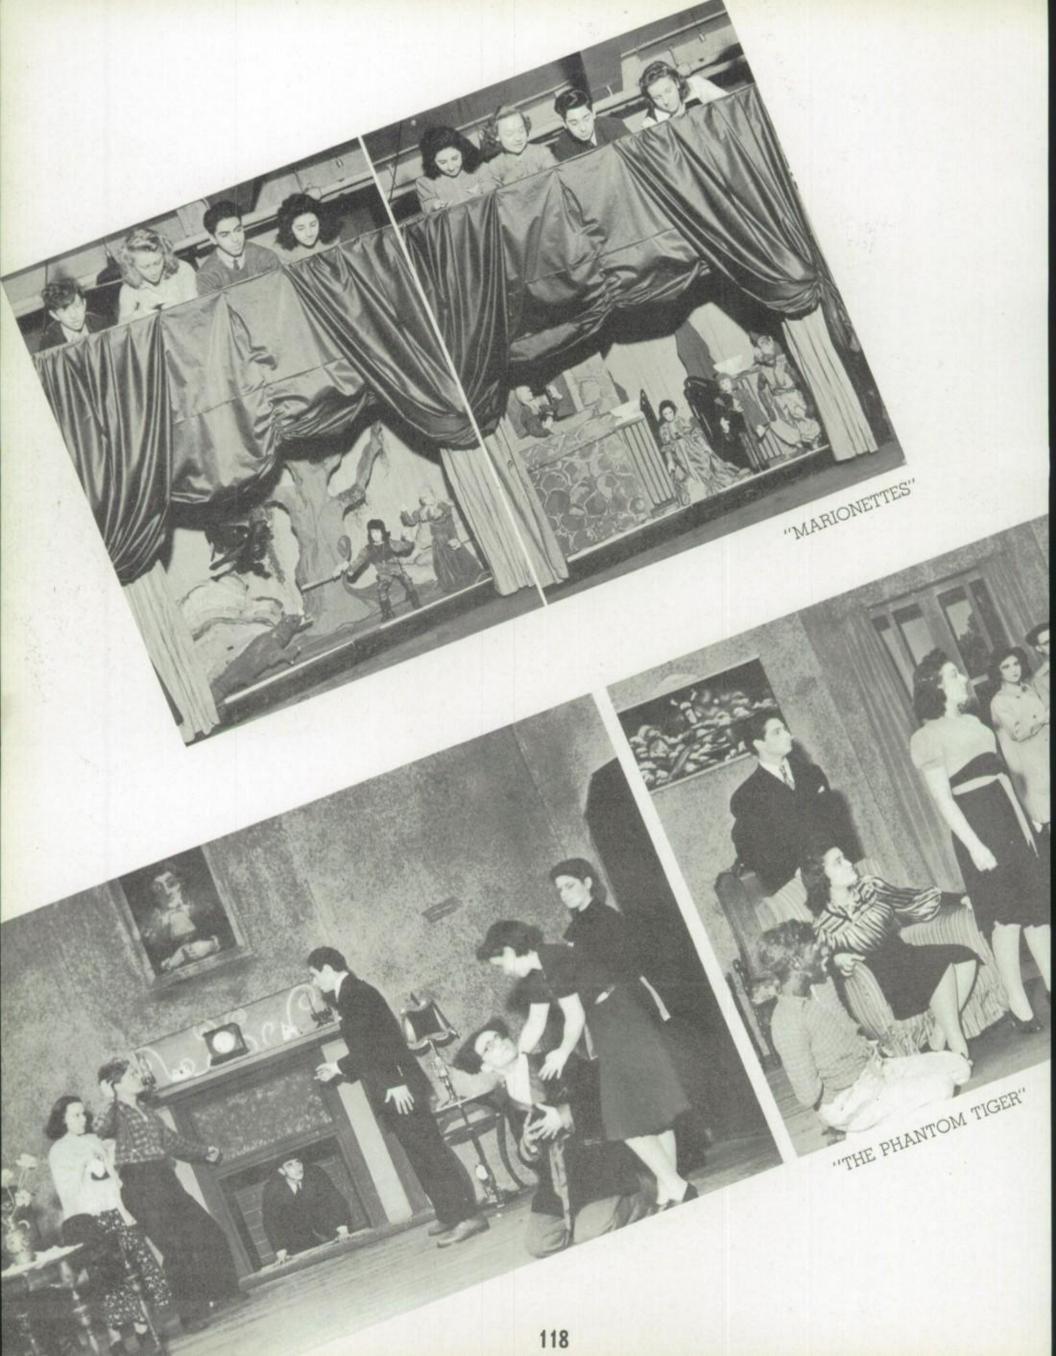

That heavenly symphony of sound one hears when passing the music room emanates from the instruments of the members of the orchestra. The orchestra consists of three divisions: the beginners, who have had no practice or experience; the juniors, who have had some experience; and the seniors, consisting of those who have satisfactorily completed the course prescribed for the beginner and junior groups and are fairly accomplished musicians.

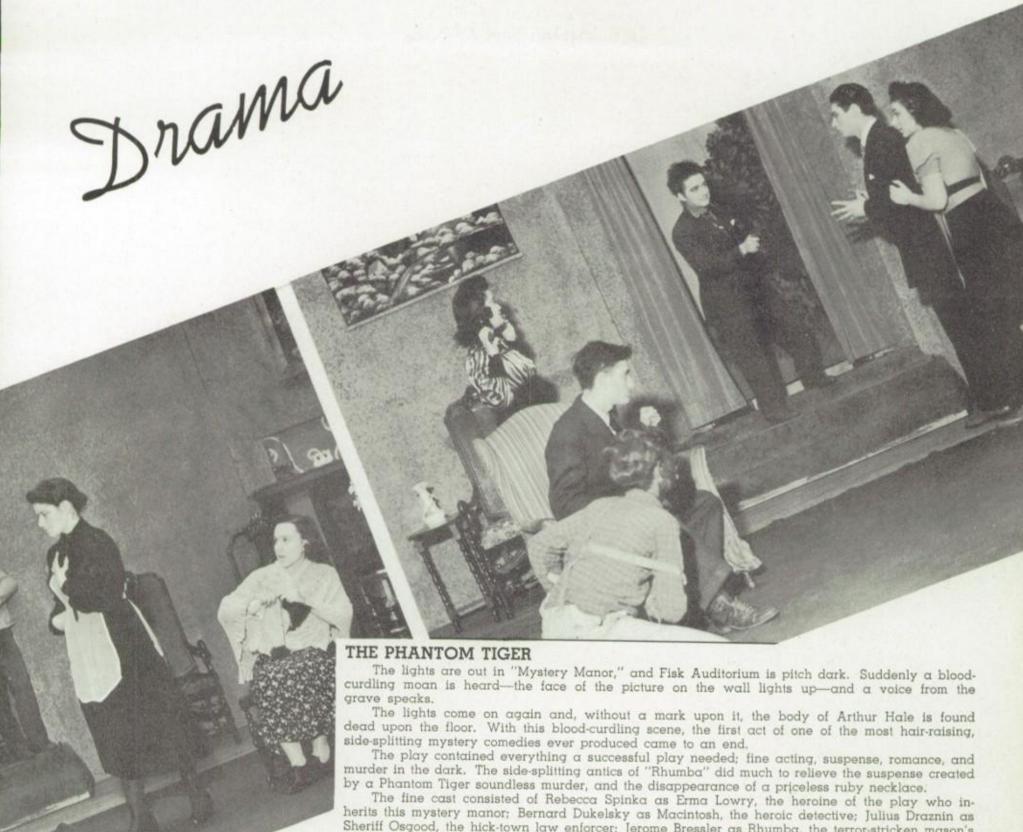

These talented youngsters, under the excellent direction of Mr. Allen J. Ford, play at all school programs and assemblies. In the city-wide high school orchestra contest, held at Lane Tech High School, December, 1940, the Tuley Orchestra, under tremendous competition, emerged with a very good rating.

The goal of the director, Mr. Allen J. Ford, is to make Tuley's orchestra the outstanding musical organization of Chicago's High Schools. He claims that with the aid of constant supervision and practice, this goal can be reached.

Mr. Ford has announced that in the future, the newly organized Tuley band will perform at all of the school's football contests. It is his belief that the backbone of every competitive school group is the spirit and enthusiasm that the students exhibit.

Sheriff Osgood, the hick-town law enforcer; Jerome Bressler as Rhumba, the terror-stricken mason's assistant; Sid Glatcow as Thompson, the stony-hearted villain; Willy Flacks as Arthur Hale, the conscience-stricken partner; Gloria Schwartz as Evelyn Hale, his grief-stricken wife; Naomi Mohr as Aunt Sophie, the old maid whose rest is constantly distrubed; and Harold Brooks as Oswald Kerins, the girl-shy eptemologist.

Because of the abundance of talent which came out for the play, the following parts were shared by two girls apiece: that of Peggy, the gum-chewing city girl who falls madly in love with her dream-man, Harold Brooks, was shared by Patsy Murphy and Marjorie Brandt. The role of Murdock, the very mysterious maid-servant, was played by Mary Kagan and Lillian Mesirow.

And the last, but farthest from the least, was the role of the supposed "ghost" herself, shared

by Eunice Kukee and Helen Kopestinski.

THE PRINCE WITHOUT A TONGUE

"The Prince without a Tongue," a puppet show produced entirely by the Advanced Art students, was presented for the benefit of the other art classes at Tuley. All credit for the modeling of the modeling of the heads of the puppets goes to Betty Madsen, while the entire production was directed by Miss Switzer.

The opening scene transports us to a beautiful castle where Princess Estra is anxiously awaiting the arrival of her betrothed, the Prince of Selestia. When she learns that, through an enchantment, the Prince has lost his tongue, she declines to marry him until he recovers it. He goes immediately to the cave of the witch, who after demanding an enormous price, tells him of a tree, guarded by a vicious dragon, in which his tongue is to be found. Instantly he is transported to the scene but fails at first when he is almost killed by the vicious dragon. When, however, in a second attempt, our hero kills the dragon and recovers his all-important tongue, he proudly returns to his waiting princess.

Clean Up Campaign

MOVIES

A wise man once said that there was nothing new under the sun. Well, this year Tuley's Clean-Up Campaign may not be new, but at least it is different. No other school has ever attempted the many things, in one semester, that the present campaign is featuring. For, under the wise and amiable leadership of Mr. Smidl, sponsor, the campaign has carried out many new and novel projects. With Mitchell Teich, chairman, and Patsy Murphy, assistant chairman, leading the way, the idea of a flower garden, through the medium of a living Blue and Gold "T", has been successfully carried out. A rat campaign, originally just for Tuley's district, has been made citywide.

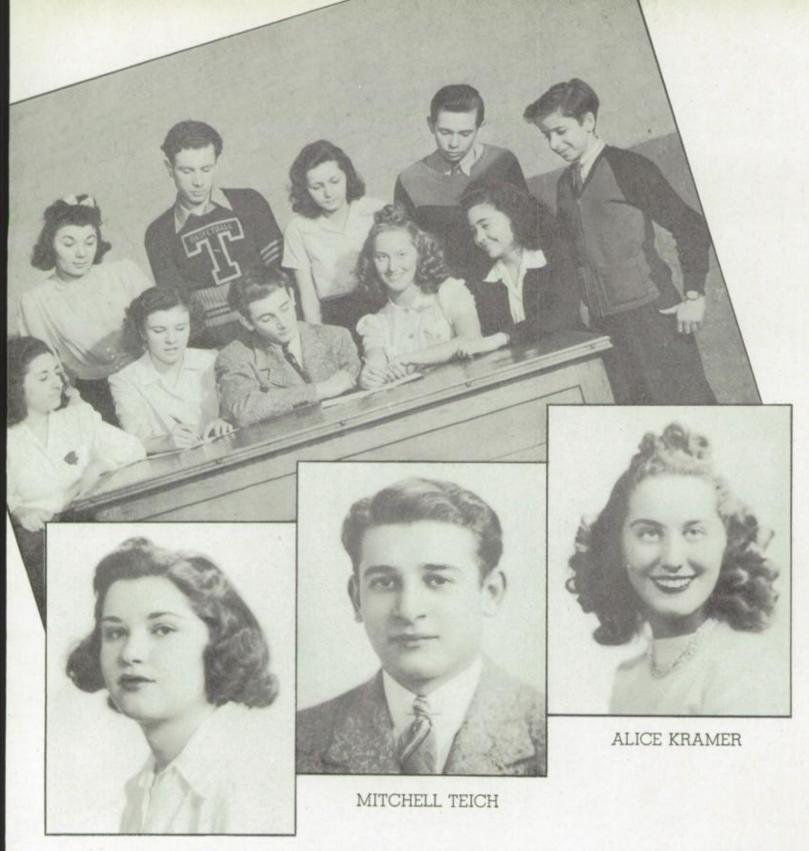

In connection with the campaign, Patsy Murphy appears on the radio program, "High School Studio Party" and broadcasted to the entire city of Chicago Tuley's hopes and plans for the forthcoming weeks.

BETTY BALTER

We represent the Tuley High School Log and, because of the very large subscription, are able to offer you very valuable advertising space at only a nominal cost."

And with these words, or words to their effect, went our advertising committee about the city in procuring ads for our Log.

To one of the staff, the job of getting ads is far from easy, and the whole committee, a dominating figure in any Log, is to be commended for its fine salesmanship. All of our generous subscribers had to be convinced of the success of the book and of their ads, and the variety which we have testifies to the capabilities of the advertising committee.

Under the leadership of the co-chairmen, Mitchel Teich and Alice Kramer, it can be seen that all have done their alotted tasks surprisingly well.

For Good Food Go to the

TULEY

LUNCH

ROOM

Tom-"Where are you going, Bill?"

Bill—"Up to get lunch in the lunch-room."

Tom—"Come on, let's go out and get a hot dog."

Bill—"No, I think too much of my stomach. I like something nice and hot and digestable for my lunch. I like to go where I can get good salads, rolls, and homemade cake and pie."

Tom—"Oh, all right, up we go to the school lunchroom."
